2nd March, 2016.

Dear Parent/ Carer,

Flute and Recorder Lessons for Years 1 to 6

Many of you will already know me as Theo's mum (Year 3) or the secretary of St. Michael's PSA, and that I have always had a very keen interest in all things musical. I sing, play piano, flute and the recorder all to a high standard. I also have spent most of my professional life as a training consultant and coach, and am now in a position to be able to combine my enthusiasm for helping others learn new skills with my love of music.

I'm delighted to have been given the opportunity to teach both the flute and the recorder at St. Michael's with immediate effect. I am planning to come into school on Thursday afternoons and Fridays from week commencing 7th March to teach individual lessons at a cost of £11 per 20 minutes.

Your child will need an instrument in order to practice between lessons and a notebook so that I can note down their progress and what to work on each week. After the first lesson, I will advise you on which music book you will need to buy for your child so that they can get the best from their lessons and private practice.

Feel free to contact me if you need any advice on where and how to select a flute or a recorder.

If you are interested in applying for a space, please email me at gfarkasblake@btinternet.com with the name and age of your child, which class they are in and which instrument they are planning to take up, along with any other questions you might have. Spaces will be limited and will be allocated on a first come/ first served basis.

Yours faithfully,

Gillian Farkas-Blake LTCL
