"A Lifetime Love for Learning"

20th March 2017

Marlborough Community Passion Play
Saturday 15th April 2017 4pm

Dear Parents,

The children in years 3-6 have been invited by the organisers of the Marlborough Community Passion Play to take part in their play on Easter Saturday 15th April 2017.

They would form part of the crowd to welcome Jesus as he enters Jerusalem. It is suitable for Years 3-6 only as the play will be performed by adults and it will contain adult themes as is necessary for the crucifixion to take place etc. It will all happen on The Parade just off Marlborough High Street at 4pm. Please note that this is **during** the Easter holidays.

If your child would like to be involved in the Community Play they would need to dress appropriately (wearing gowns of some sort and tea towels on their heads etc.), be accompanied by a parent (who will also be encouraged to dress up) and be able to attend the play during school holidays. There will also be a rehearsal on 13th April at 4pm.

The organisers would like some idea of numbers of children who will be able to be there.

They have also asked whether any attending parents would like to be Marshalls to help out. Please tick the box if you are interested.

Please complete the form overleaf and return to the school office by 24th March 2017.

Yours sincerely,

Mrs Arkwright
