| English (am) | This week, we are celebrating the 75th Anniversary of VE Day, the end of World War 2 in Europe. We would like you to use the film, Goodnight Mr Tom, which is set during the war as part of your English — please note that there is a bit of a glitch in this video where the sound cuts out for approximately 10-20 seconds! Don't worry, you are definitely on the right video! https://www.youtube.com/watch?v=eYJBkfKtCvM&t=82s Watch to 1 minute, 46 seconds on the film and answer these questions: V — Pick 5 powerful words to describe the scenery in the first few seconds and another five words to describe the mood in the church. I — From the body language of the congregation, how has the congregation taken the news that they have heard on the radio? P — The speech has been cut from the film. Write a few sentences of the Prime Minister's address, in which he announces that Britain is at war. Use the body language of the congregation to help you make your prediction. E — Compare the setting of the film with Aldbourne. How is it similar? How is it different? R — How are the people dressed? Why might this be described as "Sunday best"? S — What sort of atmosphere does the first minute of the film create? What does it make you think of or feel? | Watch Prime Minister Neville Chamberlain's address to the nation in which he announces that Britain is at war with Germany: https://www.youtube.com/watch?v=bpQ9Bn8DR74. Create a formal speech: Imagine that you are the leader of our country in this current crisis and that you have to address the nation in a similar same way. You'll need to declare that the country is fighting its own battle against a pandemic and from now on, will be in a state of lockdown. 1. How will you introduce the problem? 2. How will you make sure that you will not cause panic but make the country aware of how serious it is? 3. How will you encourage the public to do their part by staying at home and social distancing? 4. How will you promote hope and optimism at the end of your speech, letting people know that the lockdown will end one day? Don't forget to consider your language choices, this is a formal address, not a casual chat with your friends You can be creative with how you record this writing your speech down, recording it as a video etc | Watch the first 9 minutes of the film whilst considering what kind of person Mr Tom (the old man) is. Create a character description of Mr Tom in the form of either a labelled picture of him, a descriptive paragraph or a combination of the two. Split your work into two sections; the first should focus on his appearance and the second on his personality, taking into account his body language/mannerisms. | Watch the film from 2:55 to 5:25. The children on the train are evacuees from the big cities. Use this website to https://www.bbc.co.uk/teach/school-radio/history-ks2-world-war-2-clips-ww2-evacuation-index/zvs3scw to research what happened to evacuees and what it must have been like. Prepare/plan a diary entry from the perspective of an evacuee on the day you travelled to a stranger's house in a small village, far away from home. Discuss your ideas, maybe you could draw a story map of events or write down a bank of vocabulary that will help you to write your diary, focussing in particular on how you are feeling on this strange day! | Write your diary entry, using your research and planning from yesterday to help you. Think about your thoughts ar feelings about what you are leaving behind and where you are going. Use these sentence starters to help you: As I looked out onto the platform as the train pulled away from the station I looked around the train and saw (Describe other children/evacuees and their faces) The further I travelled, the most thought about Eventually, the train slowed amidst (Describe the scenery around you) Nervously, I stepped off the trato be greeted by (People, scenery — compare with the cyou came from). |
