

A large, dark blue ink splash or watercolor blotch is centered on a white background. The splash has irregular, organic edges with some lighter blue and grey tones at the periphery, suggesting a liquid spill. The text is centered within the dark blue area.

St Michael's School

A Virtual Tour

This is the classroom.
There are lots of things to
do. There are blocks
and bricks, trains and
cars. There is a dolls'
house and lots of small
world animals.

Puppet Show

We have puppets to tell your favourite traditional tales like Goldilocks and the Three Bears. We also have witches and fairies, knights and dinosaurs so you can make up your own stories. Or you could make your own puppets with lolly sticks.

Train track

- There are lots of things to make your train track special. Blocks can make bridges or tunnels; you can make houses and trees or even a zoo!

There are lots of other things to do as well.

You can hang your coats and bags on your very own peg. It will have your name and your photo next to it. Everybody gets a special square on the wall where we can put up your amazing creations and speech bubbles with your thoughts and ideas.

We have a big
garden and a
yard, just for us.
We are allowed
outside every day.

There is a sand pit, a mud kitchen and a small world area. Can you see the vegetable patch? It is empty at the moment – it is waiting for you to grow some vegetables.

We have lots of gutters, crates and interesting objects so you can make up stories outside. We have a water tray and a water pump, so you can fill it up all by yourself.

Who else is in
school?

Mrs Arkwright and Mr Everitt are the headteacher and deputy headteacher. They make sure school is safe and fun for everyone.

This is Miss Lipscombe. She is a Forest School leader and she will take you to the forest each week.

Around the school there are lots of places to explore – a pond, a quiet garden and a large field. We have a running track on our field where we can run every day.

Forest School

Every week we go to the forest which is next to our field.

Goodbye for now,
see you soon!
